***“We want to keep kids
in the game.”***

We live in an affluent area – but not every
Stouffville family can afford for their
children to play hockey.

That's where the
KIDSFIRSTFUND
offers a helping hand.

The Whitchurch-Stouffville Minor Hockey
Association established the Kids First Fund in
2011 to provide assistance for local
children who wanted to play hockey, but
were prevented from doing so by family
financial circumstances.

The fund can cover registration fees and
equipment costs for qualified families.
Dozens of players have already been
aided by the Kids First Fund.

If you are the parent of a child in need of
assistance or if you know of a family that
might qualify for help contact the WSMHA
administrator in the minor hockey office at
the Stouffville Arena. They will forward your
request or referral to the Kids First Fund
Committee for consideration.

All requests for assistance are handled in
confidence. You can contact the office at
(905) 642-2835 or at **info@wsmha.com**

The Mission of the Committee is:

***“To Provide assistance to families within Whitchurch Stouffville community
and to ensure that all children have an opportunity to play Hockey”***

Donors to the fund have been most generous. Donations have come from the organizers of local golf tournaments, provincial hockey championships and other events.

“They realize the importance of keeping kids active and we are most appreciative of their support.”
